Calling all graphic designers, artists, and book lovers—we invite you to submit a design for Logos* Orthodox Christian Bookstore that reflects the bookstore's mission to provide spiritual books, icons, cards, gifts and sacramental items to Orthodox Christian faithful and seekers of Truth.

Logos Orthodox Christian Bookstore began in 1997 as a small cart with a dozen titles, rolled out during coffee hour at the mission parish that later became St. John the Baptist Greek Orthodox Church in Beaverton, Oregon. Over the years the bookstore expanded its offerings and space to attract customers from around the Portland metro area, the Pacific Northwest and beyond.

Today Logos continues to add inventory, hours and recently, staff. The bookstore now accepts debit and credit cards. Next steps for Logos include expanding the hours further and developing an online store. At this critical moment, when the bookstore is poised to launch its unique ministry onto the world stage, it needs a distinctive logo.

The winner will receive a gift certificate to Logos Bookstore and the joy that comes from using one's talents to glorify God.

**Logos is Greek for "The Word."*
