Three Part Series

The Seven Ecumenical Councils decisively put to rest heresies of the ancient world. However, heresies did not end with the last council in the 8th century. Since then, hundreds of heresies have cropped up and infected the thinking of Christians. This class will cover some well-known modern heresies, their source and their impact on our thinking and spirituality. Heresies such as the Protestant Reformation, Materialism, Post-Modernism, Atheism, and Darwinian Evolution will be covered and the Orthodox replies to these heresies will be discussed.
